On average

people die ever day in vehicle crashes in the US.

Suicide is the leading cause of death between the ages of

15-24.

of marriages end in divorce.

Everyday bad things happen to good people—are you prepared to reach out and offer hope to someone facing these issues?

Faith Based First Responders Training

You don't have to be a First Responder vocationally to be one relationally or geographically. When someone trusts you enough to confide in you during a time of loss in their life, you are a "First Responder." Are you confident that you can be a source of help to them?

Instructor Bio: Dr. Gary Evans, has over 30 years of crisis management experience, including involvement with police, fire and emergency medical services. He served as the Chaplain for American Airlines at JFK following the 9/11 attacks.
